# Stand with Martha.

The Utah Legislature is considering a resolution to place a statue of Dr. Martha Hughes Cannon in Washington D.C.

We need your help to make it happen.

## Who is Martha?

Dr. Martha Hughes Cannon was the first female state senator in the nation. She was elected to the Utah State Senate in 1896, 25 years before most women in the United States could even vote. She is the ultimate #GirlBoss.

## Why a Statue?

Every state has two statues in National Statuary Hall in Washington D.C. — and only 9 of the 100 statues are women (yes, it's true). We think Martha would be an amazing addition and representative for the state of Utah. Let's #SendMartha!

## Why Now?

It's time to celebrate! Here's why:

- On February 14th, 1870 the first American woman voted— here, in the beautiful state of Utah.
- The year 2020 is the 100th Anniversary of the 19th Amendment, which allowed women the right to vote. #ShatterGlass
- The year 2020 is the 55th Anniversary of the Voting Rights Act which made suffrage possible for ALL women.

Martha's statue will be ready to place in Washington, in the year 2020, to mark those anniversaries.
